ABOUT US

WELCOME TO NEWPORT CONSTRUCTION GROUP, WHERE WE BUILD YOUR DREAMS!

For over 30 years, Newport Construction Group Inc. has played a key role in helping homeowners make their home **design, build, upgrade** dreams come true.

From concept, design, through construction completion, we specialize in new home and remodeling throughout **Orange and Los Angeles Counties.**

Newport Construction Group is fully licensed, bonded and insured. Our reputation is one of exceeding our customers' expectations in being reliable, trustworthy and to complete projects on budget and on schedule.

Our goal then and now is to provide quality on time projects

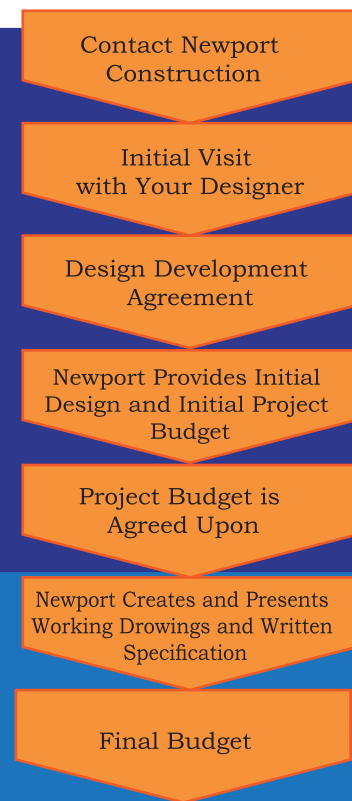

Newport Construction Group is committed to delivering a finished product that reflects quality construction and attention to details. Our design professionals work with you on every detail to help you envision your dream kitchen, bathroom or addition.

From concepts to scaled drawings to blueprints; from flow to functionality; from color palettes to textures; our designers are with you every step of the way. Once underway, every customer has a project manager who oversees the daily construction work. This is your go-to person for any clarifications or questions.

HOW WE WORK

This is our workflow commitment to each and every valued customer. When you work with Newport Construction you can trust us for services, performance, integrity, quality and a finished product you'll love.
